Drinks and Networking at 7:00 pm

Dinner and Presentation at 8:00 pm

Dear Monaco Friends of Israel Members

Monaco Friends of Israel Association has decided to host a very special event with the Harvard Club of Monaco and the INSEAD alumni club of Monaco. Our Honored guest is Mr. Haim Tomer. Haim has had a most remarkable career:

- 30 years of service in an Israeli security organization
- Former Chief of Counter-terrorism, Intelligence & international operation division
- Currently Senior Advisor to AWZ-Ventures, a Canadian venture capital group that has invested in leading Israeli cyber start-ups
- Founding partner of Idea-HLS, an Israeli based consulting company which runs security projects in the global arena

The main topics of Haim's presentation will be :

- Geopolitics in the Middle East
- Cybersecurity: Global Threats and Possible Solutions

The event will take place at the Pacific Restaurant (Metropole Hotel, Monaco). The presentation is in English only.

The dinner is offered by our Association to our Members. As there is limited space for participation in this event we will need an email confirmation before March 20 (on the basis of first come, first served) to the following email: friendsofisrael@monaco.mc
